

PARENT CONNECT

Parent Connect is a special service offered by EDUCATE JAMAICA, which seeks to provide parents with the necessary support that will enable their children to achieve the desired outcomes both educationally and socially. Parent Connect is a partnership with parents that seeks to enable them to achieve their parenting goals.

There are times when legal advice/action may be necessary on behalf of your child and being a member

of parent connect gives you access to legal advice. Parent connect helps you select the right school for your child/children and it also helps you find appropriate education services to support the needs of your child/children. If there is a specific need or situation that you need assistance with, parent connect will assist you with this. Your membership to parent connect, aims to ensure that you have an excellent partner to aid you in achieving the best social and educational outcomes for your child/children.
